presentation types for 3 groups of customers

REPRESENTATIVE

website with hundreds of products

What does the client say about us?

www.rako.cz

"We especially value the flexible approach taken by FG Forrest employees during their nearly year-long process of putting together and completing our new website. The final version of our new website www.rako.cz is high-quality. The new website was also very well received by our clients."

Ing. Pavla Nováková,
Communications Manager at
LASSELSBERGER, s.r.o.
